For what district are you a candidate?	4
Are you currently employed and, if so, please describe.	No
Do you have a website for your campaign? If so, what is it?	No
What experience do you have that is relevant to this position?	40 years of surgical practice; 25 years founding and running a not for profit medical effort;20 years of medical staff leadership.
Which, if either of the existing clinics, do you primarily use for your health care?	UW Medicine Orcas Island Clinic
Are you a member of the Coalition for Orcas Health Care?	No
What motivates you to want to be a commissioner?	The need for a modicum of medical input into decision making
Are you inclined to support ... 1) Both existing medical clinics as they are; 2) Both clinics for now, but use money as an incentive for them to combine services; 3) UW Medicine Orcas Island Clinic rather than Orcas Family Health Center; 4) Orcas Family Health Center rather than UW Medicine Orcas Island Clinic; 5) Other	Both existing medical clinics as they are

Will you consider working with a primary/urgent care provider other than UW Medicine?	Yes
If \$0.55/\$1,000 supported both existing clinics and you were able to levy another \$0.20/\$1,000 would you be more likely to ...	Levy the maximum allowed and use it to fund 24/7 urgent care
If funds are available for supporting services beyond primary care, what services would you be most willing to support?	None
What is your opinion regarding the buildings that currently house the clinics?	Leave overhead costs alone and subsidize only patient volumes being treated
How will you decide the amount of subsidy legitimately needed by those asking for support? How do you plan to verify they are not inflating their cost?	We would need patient volume information; quality assurance information and reimburse according to patient care rendered and patient satisfaction
Are there any services you would require to be provided in order to receive support? If so, what?	After hours care
The hospital district, if it passes, is required by law to hire a superintendent. That person may play a very important role in implementing the policies you help set. Do you have someone you would like to see in that role?	Not yet
Should complaints a person might have about one of the subsidized providers go	Directly to the provider, but the commissioners have the ability to review the provider's records of complaints
